**Losses incurred by IA and Al**

3096. SHRI TRILOKI NATH CHATURVEDI:

DR. MURLI MANOHAR JOSHI:

Will the Minister of CIVIL AVIATION AND TOURISM be pleased to state:

(a) the loss incurred by the Indian Airlines and the Air India in 1992-93 and 1993-94 together with the accumulated losses;

(b) whether it is a fact that Air Taxi Operators have made profits during the above period and if so, the details thereof;

(c) whether IA and AI have taken any measures to cut expenditure and increases revenues and if so, what are the details thereof; and

(d) what steps Government have taken to introduce healthy competition among airlines to optimise revenue and passenger service?

THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI GHULAM NABI AZAD): (a) Air India has not incurred any loss during 1992-93 and 1993-94. The accumulated losses of Indian Airlines upto 1st July, 1994 are of the order of Rs. 422.00 crores. Indian Airlines has incurred a loss of Rs. 195.16 crores in 1992-93 and Rs. 297.80 crores (provisional) during 1993-94.

(b) Under the Air Taxi Guidelines the operators are not required to submit profit/loss statements to the authority which grants operating authorisation to them.

(c) The following are the major steps taken to minimise the losses of Indian Airlines:—

*(i) Product Improvements —*

Improvements in service both on ground and on board.

— Improvement in passenger comfort by increasing seat pitch in economy class of A-300 aircraft.

— Introduction of Business Class in A-320 aircraft.

*(ii) Pricing and Distribution Strategies*

— Incentives/concessions introduced for customers and agents.

— Setting up of sales forces to generate more business.

*(iii) Organisational Improvements*

— Changes in the organisational structure and systems to enable a speedy and cohesive response to the environment.

— Closer consultation with the employee/ Unions/Associations to foster an atmosphere of mutual understanding.

(iv) Increased fleet utilisation as a result of introduction of productivity linked schemes of remuneration.

(v) Increased international operations to usefully deploy available capacity.

(vi) Tie-up with Air India in several areas, like joint venture opertions in the Gulf countries, hub and spoke operations.

(d) With the repeal of the Air Corporations Act, 1953 the monopoly of national carriers to operate demestic scheduled air transport services has been removed. This will facilitate operation of air services in a competitive environment leading to optimisation of revenue and enhancement of passenger statisfaction.

**Lasses of IA with the induction of private airlines**
